USPA U Round			⊗	⊗	⊗
USPA L Elongated			⊗	⊗	⊗

PLEASE NOTE: The electronic bidet seat is designed to be installed on a toilet bowl in place of a conventional seat. Our bidet seats will not fit precisely to all toilets please measure your toilet as indicated in the confirmation chart below to confirm which seat shape will be most suited to your toilet. The surface of the toilet should be flat without reliefs or raised ridges.

The seat requires a potable water supply of between 0.07 Mpa (0.7 bar) and 0.74 Mpa (7.4 bar) pressure. A fully compliant power source (in U.K. to BS7671) within 1.5 m of centre line of the toilet (240V 50Hz 1.7Kw max)

Seat Shape and Size
