2Move Display

Installation

Before setting up the 2Move display please remove the display from the wall bracket.

The display is mounted on the wall bracket with two screws, one on each side of the display.

Please screw these off.

Mount the wall bracket with screws that are suitable for the material of the wall.

(Note: total weight: display, 2Move and disposable cover will be approximately xx kg)

Reinstall the display on the wall bracket with the two screws.
